## SF Indie Fest: Anti-Valentine's Day Power Ballad Sing A Long

**SHOWTIMES / BUY TICKETS**  
February 14 only

Some of us just can't stand Valentine's Day. Fortunately, there is an entire genre of music made just for our pain, and it just happens to also be the most badass music ever: **POWER BALLADS**. We'll sing, we'll hold fighters in the air and swoon, we'll pound our fists at the sky in defiance of those who would dare not love us. Featuring the music of Journey, Guns n Roses, Bon Jovi, Van Halen, and many many more.
